

West London Extended Hours Hubs

Extended Hour Hubs offer pre-booked appointments for our patients at evenings and weekends.

You will be able to access the services provided by these hubs by asking your registered GP surgery or calling 111.

There are 2 hubs in West London:

St Charles Centre for Health - Integrated Care Centre
Exmoor Street
London
W10 6DZ

Opening Times:

Mon – Fri: 18:30 – 21:00
Sat: 08:00 - 20:00
Sun: 14:00 – 20:00

The Violet Melchett Clinic - Integrated Care Centre
30 Flood Walk
London
SW3 5RR

Opening Times:

Mon – Fri: 18:30 – 21:00
Sat: 08:00 - 16:00
Sun: 08:00 – 14:00

The extended hours hubs **will provide** the following primary care medical services, as a minimum requirement:

- Clinical assessment, and treatment service to patients presenting with minor injuries and mild to moderate illnesses
- Self-care management information and advice
- Cervical screening and contraceptive services
- Childhood immunisations and vaccinations
- Wound Care
- Ear irrigation

The following services will **not be provided** by the extended hours hub services:

- Patients who are identified with a potentially life threatening medical condition which is not suitable for primary care management must be immediately and safely transferred to the relevant urgent and emergency care service
- GP appointments relating to test results received
- Long term condition reviews and care plans
- Medication reviews
